HILL IS AN AWARD-WINNING HOUSEBUILDER AND ONE OF THE LEADING DEVELOPERS IN LONDON AND THE SOUTH EAST OF ENGLAND, DELIVERING BOTH PRIVATE FOR SALE AND AFFORDABLE HOMES.

This family owned and operated company has grown to establish itself as the UK's third largest privately owned housebuilder, with an impressive and diverse portfolio ranging from landmark mixed use regeneration schemes and inner-city apartments to homes set in idyllic countryside.

Hill prides itself on putting its customers first and was awarded a 5 star status from the Home Builders Federation's annual Customer Satisfaction Survey in 2018, 2019, 2020 and 2021. Hill has also won over 450 industry awards in the past 20 years.

With a staff of over 650, the company operates from five strategically located offices across the South East, with its head office based in Waltham Abbey.

Hill builds in excess of 2,000 homes a year and around half of the company's development portfolio is in joint venture to deliver affordable homes, reflecting Hill's commitment to partnering with government, local authorities and housing associations. The commercial spaces Hill creates are carefully considered to complement the developments they are sited on, and serve their communities.

In 2019, Hill Group designed and is donating 200 fully equipped modular homes to homelessness charities as part of a £12 million pledge through its Foundation 200 initiative.
